Illegal activities in cyberspace can result in **criminal prosecution**. Such activities include unauthorised access to someone's computer, sending viruses, harassment and copyright infringement. Someone found guilty of copying, distributing or supplying child pornography could face imprisonment, steep fines, and permanent loss of any computers or other equipment.

Keep cybersafe. Educate yourself and your friends about the risks by visiting **www.netsafe.org.nz**. If you have a problem, send a confidential query to **queries@netsafe.org.nz** or call toll-free **0508 NETSAFE (0508 638 723)**.
