

Design your school's online safety mascot

This is Tuhirangi, named after the guardian taniwha that the great explorer Kupe left to guide travelers through the treacherous waters of Cook Strait. Now he guides rangatahi through the turbulent streams of the world wide web, protecting them from harm and allowing them to navigate its streams safely.

We can all be safer online when we are protected by a wise ancient guardian - be it taniwha, teacher or parent 😊

How to enter: To promote the positive power of the internet, we are running a competition for school students to design their school's online safety mascot. To enter, you must draw a mascot that can encourage your school to be safer online in the above space. You can either scan or take a photo of your entry and email it to outreach@netsafe.org.nz. Competition begins 9am 26th July 2021 and **ends 3pm 23rd August 2021**. See netsafe.org.nz/nswcompetitions/ for full T and C's
